What's Working

- Laptops = 31.5% of revenue — top category by far.
- MacBook Air & OnePlus 9 lead at ~₹20 Cr each.
- Sony Headphones — ₹19.5 Cr, 3rd highest earner.
- Maharashtra + Gujarat drive 39% of revenue.
- Loyal buyers — avg 34 orders per customer.
- Revenue steady at ₹17–18 Cr/month (Jan–Oct).
- Realme Cable — highest rated product (4.7★)

What's Broken

- Approx 1 in 3 orders cancelled — 2x the industry norm.
- ₹52.5 Cr lost to cancellations — biggest leak.
- Realme Cable (4.7★) = only 0.5% of revenue.
- iPhone 13 earns ₹6.4 Cr vs OnePlus 9's ₹20 Cr.
- No presence in UP, MP, Punjab, and Andhra Pradesh.
- Delhi & Telangana — underperforming metros.
- OnePlus 9 SKU with 3.0★ rating — quality red flag.

Fix Now (0 – 60 days)

- Add cancellation reason capture — find the root cause.
- 15-min cancellation window — reduce impulsive cancellations.
- OTP confirmation for orders above ₹50,000.
- Offer exchange/pause delivery before the cancel option.
- Show live stock status on product pages.

Grow Next (60 days – 6 months)

- Bundle Realme Cable with every mobile/charger order.
- iPhone 13 + accessories combo to lift revenue.
- Target Delhi & Telangana with focused campaigns.
- Launch Silver / Gold loyalty tiers for repeat buyers.
- Expand to UP, MP & Punjab — zero presence today.
